

March 27, 1923.

Inecto Incorporated,  
33 West, 46th Street,  
New York City, N. Y.

Gentlemen:-

On or about the 6th inst., I was in your office and gave an order to your telephone girl for two boxes of No. 3 1/8 and told her to send same by mail to Robert H. Todd, Commissioner of Immigration, San Juan, P. R. The package has not arrived and I request that you have a search made for same and forward it as quick as possible as I am in need of the inecto.

One of the boxes had been sent to me to Washington and I was returning it to be added to another one for which I paid at the same time.

I am now enclosing M. O. for \$5.00 and please forward another 3 1/8 or 3 1/4 to the same address as above.

Let me mention the fact that the steamers for Porto Rico leave New York every Saturday.

Sincerely,

April 10th, 1923.

Inecto Incorporated,  
35 West, 46th Street,  
New York City, N. Y.

Gentlemen:-

I beg to refer to my letter of March 27th, 1923, in which I complained of not having received your package containing two boxes which I ordered personally in New York on March 6, 1923 and enclosing money order for \$5.00 for one other box.

I beg to now state that the package was received this morning wrapped up in a brown paper and tied and under the string there was the enclosed piece of corrugated cardboard with my address.

You will oblige me very much, so as to straighten the matter in the Post Office, if you would kindly let me know if you dispatch the said package in the way I have described above.

Sincerely yours,

Enclosure.

April 28, 1923.

Inecto Incorporated,  
33 West, 46th St.,  
New York City, N. Y.

Gentlemen:-

On March 27, 1923, I sent you Money Order for \$5.00 with the request that you mail to my address a box of No. 3  $\frac{1}{4}$  together with the two boxes which I had bought from you in New York.

Some days after, when I received the two boxes which I had bought of you in New York, I wrote you about it, but up to the present, and after one month has elapsed, I have to again address you stating that I have not received the one box for which I sent Money Order on March 27, 1923, in payment.

I don't insist that you answer my letters, if that is your policy, but I do have to insist that if you have already send the package, that you let me know so that I may be able to claim it in the Post-office.

Sincerely,

May 8, 1923.

Inecto Incorporated,

Gentlemen:-

Again I have to write you to state that I have not received the box of 3 1/4 Inecto which I ordered on March 27, 1923, at which time I enclosed Money Order for \$5.00 in payment of same.

Inasmuch as no letter of explanation has been received from you, I expect that in case you would not care for my trade, the least that you can do is return the money received, which I hope you will do on the receipt of this letter.

Respectfully,

May 18, 1923.

The Postmaster of San Juan,  
San Juan, Porto Rico.

Sir:-

On March 27, 1923, I bought at your office Money Order No. 719750 for \$5.00 in favor of INECTO INCORPORATED, 33 West, 46th St., New York City, and the same was forwarded in a letter addressed to said Corporation on the mail leaving March the 28th.

In view of the fact that I did not get any reply from the above named Corporation in due time, I wrote them again on the 10th and 28th of April and by the mail received last evening I have a letter from said firm stating that the only letter received from me was that of April 28 and that I should try to trace my other letters, as they are unable to locate those of March 27 and April 10th.

For the reasons set forth above, I am hereby requesting that you have a search made to ascertain whether or not the said money was collected and by whom.

Thanking you beforehand, I beg to remain

Sincerely yours,
