

War Department,
Bureau of Insular Affairs,
Washington, D. C.

December 6, 1912.

My dear Mr. Todd:

At the request of Honorable Huntington Wilson, Assistant Secretary of State, it gives me pleasure to introduce to you the bearer, Professor C. U. Clark of Yale University.

Secretary Wilson tells me that Professor Clark expects to make a short visit to Porto Rico and is particularly anxious to meet some of the more prominent Spaniards of the Island, and also to see as much of the country as possible in the short time he expects to remain.

I am giving Professor Clark a letter to Governor Colton, but would like to have him meet you also. I have told Secretary Wilson that I was quite sure you would be glad to introduce Professor Clark to some of your prominent

friends on the Island and show him any consideration that you may. Anything that you may be able to do to assist in making Professor Clark's stay in your country pleasant, I will appreciate.

Sincerely yours,

Frank McIntyre

Brigadier General, U. S. Army,

GOVERNMENT OF PORTO RICO.
OFFICE OF THE SECRETARY.

March 4, 1912

Dear Mr Todd:

The act regarding the
Paseo de Ceradunga passed.
I enclose herewith a joint
Resolution regarding the
other properties the City
is interested in, which,
if you will have it
translated and intro-
duced by some one in the

House will probably
go through. I will
do what I can for
it in the Council
and the Governor is
in favor of it. This
will give the City
what it wants. Let
me know who in-
troduces it and
the number of the

bill

Sincerely

Cassie
