COMMITTEE ON INSULAR AFFAIRS,  
HOUSE OF REPRESENTATIVES,  
WASHINGTON.

June 15, 1910

Hon. R. H. Todd,  
San Juan, Porto Rico.

My Dear Mr. Todd:

Yours of the 8th instant is just at hand. I thank you sincerely for your very kind and complimentary words. Agreeably to your request, I am sending you by this day's mail one hundred copies of my speech printed in pamphlet form.

With regard to jury trial. You will notice that there is nothing in the bill upon that subject. It neither forces nor prevents the jury system, but leaves it entirely optional with the Porto Rican legislature whether or not to put trial by jury in operation in the insular courts.

With kind regards, I am,

Sincerely Yours,

*M. E. Olmsted*
