Mr. R. H. Todd,
37 Fortaleza Street,
San Juan, Porto Rico

Dear Sir: --

We are finding it exceedingly difficult to know what to do with the black men you are sending up to us as the color line in this country is very closely drawn.

Also we are at a loss to know what to do with young men who spend all their money before reporting to the office of this Association as was the case of young Schomburg, who claimed to have spent \$70. since he left Porto Rico and that he had nothing left. He claims to have bought clothing and that he paid for one months board in advance at his boarding house.

Very truly yours,

G. K. Harroun
