Colonel Orval P. Townshend,
San Juan, P.R.

My dear Colonel:-

This is to introduce the bearer, Mr. Pedro Albizu Campos, who has been highly recommended to me from friends in Ponce. Mr. Albizu Campos is a graduate from Harvard University, and has taken the military training course at said place under the auspices of the Joint Commission of American and French Officers, and as you will see from his credentials, he is highly recommended for a position in the army.

He was transferred to Porto Rico on account of being drafted, belonging to the quota of Ponce.

Mr. Albizu Campos tells me that more than a year ago he offered his services to the War Department, and he was given assurances that he would be accepted, and if you can see your way clear to do as General McIntyre suggests in his letter, which the bearer will show you, it will be greatly appreciated by

Yours very truly,

RIT EB

Mayor of San Juan.
