## United States Senate,

COMMITTEE ON MINES AND MINING.

April 24, 1920.

Mr. Robt. Todd.  
San Juan, Porto Rico.

My dear Mr. Todd:

A friend of mine, who is a prominent citizen of your community, requested that I write you in behalf of my candidacy for the Republican nomination for President.

In view of your selection as a delegate to the Republican National Convention, I am requesting my campaign organization to send you some literature which will serve to give you a working knowledge of my position on the various issues of the campaign, as I view them. We would consider ourselves very fortunate in having your support and good will. A word from you in my behalf to your friends and acquaintances, and also to your associated delegates from that District, would be of great help to us.

Thanking you in advance for anything you may do in my behalf, and hoping to hear from you at your early convenience, I am with kind regards

Yours very truly,

*Miles Poindexter*
