My dear Don Roberts,

Many thanks for your new letter of the 3rd inst. I am glad you saw the President, & found him inclined to matters of interest to Porto Rico. We will fill him full of the subject after the Convention.

I telegraphed you yesterday, asking that you reserve three instead of two seats at the Convention for me. I do not definitely know yet, how many will be required, of the three. The third one requested is for Mr Felix Frankfurter, law officer of the Bureau. He is a good friend of ours, & always has any Porto Rican legislation in charge. He may not find it possible to go, but as soon

as I find out just who will
accompany me, I will telegraph
you again, so that you can
disburse of your share of the
tickets, without incurrence
on my account.

I congratulate you on the
success of your show, & am
sure it will always be a
source of pride to you.

Hoping to see you before
long in Chicago, I am

Very sincerely,

Horlston
