My dear Mr. Todd:

With reference to my letter of the 25th ultimo I have to advise that the postmaster at Bayamon, Porto Rico, has requested that he be permitted to withdraw his resignation.

Hon. John H. Bartlett,
First Assistant Postmaster General,
Washington, D. C.

My dear Governor:-

Referring to your M - AP, July 9, 1923, with reference to the resignation by cable of the Postmaster of Bayamon, P. R., which he has now requested permission to withdraw, I beg to state that this was done after he came to see me and consulted on the subject. Mr. Jimenez is one of the oldest Postmasters in office, as I believe he has been in his present job for over 20 years and with a good record and it was only on account of a slight misunderstanding with one of the P. O. Inspectors that he lost his head and sent the cable resigning his position, but after the said conversation with me I counselled him to send another cable withdrawing his previous action.

I therefore take pleasure in recommending that he be allowed to withdraw his resignation.

Respectfully,
