Hon. Hubert Work,

My dear Dr. Work:

I understand that the term of the postmaster at Ensenada has expired on July 21, 1921, and I hereby take the liberty of recommending that the present incumbent, Mrs. America Rossy, be reappointed to said office.

Very sincerely yours,

February 3, 1922.

Hon. Hubert Work,
First Asst. Postmaster General,
WASHINGTON, D. C.

My dear Dr. Work:

Some time ago I received a letter from your Department asking my suggestions with regard to the re-appointment of America Rossy, the present Postmaster at Ensenada, P. R., whose commission ended on July 21, 1921.

Allow me to state that this lady has been at the head of the Post Office at Ensenada for a long number of years and has made a very good record, as I understand, and I therefore take pleasure in recommending her re-appointment.

Very respectfully,

RHT:gb

Hon. R. H. Todd,

San Juan, Porto Rico.

My dear Mr. Todd:

The term of Mrs. America Rossy, postmaster at Ensenada, Porto Rico, expired July 21, 1921.

Strong representations have been made in behalf of the appointment of Mr. Candelario Morales to the postmastership at this office, it being stated that this candidate formerly served as postmaster at another office and was unjustly separated upon the advancement of that office to the third class; also that Mr. Morales is deserving by virtue of the fact that he was a soldier in the late war.

I shall be pleased to have you advise me promptly whether you know of any reason why the Department could not consistently recommend the appointment of Mr. Morales to the postmastership at Ensenada.

Sincerely yours,

Hubert W. ...
First Assistant Postmaster General.

Hon. Hubert Work,
1st. Assistant Postmaster General,
WASHINGTON, D. C.

My dear Dr. Work:

Your letter of February 9th, 1922 (AP) regarding the representations made to you in behalf of the appointment of Candelario Morales to the Postasterhip of Ensenada, Porto Rico, which office is held to-day by Mrs. America Rossy, was duly received and I beg to reply as follows:

Mrs. America Rossy, the present incumbent of the said office, is a very good Postmaster as I am told by the people of Ensenada as well as by the Post office Inspector and it would be an injustice to put her out of that place and have someone else and from some other town appointed.

I know nothing of Candelario Morales except that he was a Postmaster at Cabo Rojo, when the office was of the 4th. class and that he was recommended by Mr. Cordova Davila, the present Unionist Commissioner in Congress, and he is evidently the man who is now trying to have a good Postmaster as Mrs. Rossy, who comes from a very good republican family, to place in her position this friend of his.

Governor Reily told me that he had answered your letter in a similar vein after he had been informed by some friends in the premises.

Very respectfully,
