Hon. Hubert Work,
First Asst. Postmaster General,
WASHINGTON, D. C.

My dear Dr. Work:

Referring to your communication of January 16, 1922 AF, regarding the petition for the establishment of a Post Office at Palo Seco, in San Juan district, P. R., I beg to state that after due investigation I find that a Post Office in said little town would be a great help to that community.

Of the two candidates which you mention for the office, I have been informed that Juan Claudio is the most suitable ~~one~~ two and I so beg to recommend his appointment for the said position.

Very respectfully,
