Hon. Hubert Work.
First Asst. Postmaster General.
Washington, D.C.

My dear Doctor:

At your suggestion, I am writing to state that I have not received the list of Postmasters of Porto Rico with the dates of their appointments, as promised.

I want to repeat what I stated to you in our conversation some days ago regarding the Hon. Felix Cordova Davila, the Resident Commissioner for Porto Rico. He has no connection whatever with the Republican Party of Porto Rico; was elected to his present position by the Party that is seeking independence for the Island; and was the man to whom the last Administration referred all appointments in the Post Office service in the Island, as you will ascertain if you should care to scan the Porto Rico files.

Believe me to remain,

Very sincerely yours,

R.H.T.
