

Post Office Department
FIRST ASSISTANT POSTMASTER GENERAL
Washington

AF

September 14, 1921.

Hon. R. H. Todd,

San Juan, Porto Rico.

My dear Mr. Todd:

Under date of August 11 you were advised that Carlos Castro Ferrer, who was appointed postmaster at Trujillo Alto, Porto Rico, on January 22, 1921, had declined the position.

You were requested to submit to the Department the name of a suitable person for appointment as postmaster at that office.

Please give the matter prompt attention as it is desirable to dispose of the case at the earliest possible date.

In the event a candidate cannot be secured there will be no course open to the Department but to discontinue the office.

Sincerely yours,

Hubert Ward
First Assistant Postmaster General.
