

UNION COLLEGE,

INCORPORATED 1795.

G. K. HARROUN, TREASURER.

UNION COLLEGE TREASURER'S OFFICE,

KENNEDY BUILDING,

289 FOURTH AVENUE,

NEW YORK, Nov. 22, 1898.

Mr. R. H. Todd,
San Juan, Porto Rico,
United States of America.

Dear Sir:--

General Joseph Wheeler, U.S.A. has forwarded to me your communication to him dated November 12, 1898, making application to have the offers of the American Colleges extended to Porto Rican young men.

It gives me pleasure to say to you that I believe if you can find any needy, studious, reputable Porto Rican young men who have not means of their own to pay for their tuition, room rent and books but have sufficient means to pay for their board, I have no doubt I could make them beneficiaries of the American Institutions of learning.

I enclose to you some blank forms which you may use if you find the proper material. I suggest that you have some officer of the United States Army in Porto Rico take the trouble to investigate any applications that you may make and send on their indorsements with the applications to me.

I believe that it will give the Colleges great pleasure to aid in this work in Porto Rico as well as in Cuba and the practical way of testing the offer is to send on the applications properly filled out and give me an opportunity to see what I can do in each case.

Awaiting your action in this matter,

I am,

Dear Sir,

Very Respectfully Yours,
