GOVERNMENT OF PORTO RICO  
EXECUTIVE COUNCIL  
SAN JUAN, P. R.

ADDRESS ALL OFFICIAL  
COMMUNICATIONS TO THE  
SECRETARY OF THE EXECUTIVE COUNCIL

March fifteenth,  
Nineteen hundred and thirteen.

My dear Roberto:-

I have been hoping to see you for several days,- This is not a surprising statement to you because you are surely aware that I am always happy to see you, but I have been wanting to see you particularly to congratulate you on the final passage and approval of the bill which makes it possible for you to be provided with a salary somewhat commensurate with the duties of the important office which you discharge with such marked ability.

The bill was passed by the House without amendment. You are probably aware of all this but as I haven't seen you I think it possible that you may not be,- hence this note.

Muly Reea B
