My Dear Mr Todd,

I send you a copy  
of the State Journal of which  
I am the editor, containing an  
editorial on Porto Rico, which  
I hope will please you and  
all my friends. I would be glad  
to send the good people any way  
I can. My book will be out in  
a couple of weeks & that will  
help some. Show the paper to  
Barbosa & other friends. I wish  
I could go to Washington this week  
& fight for Porto Rican self  
rule. With regards I am

Very truly yours  
E. J. Wiener
