6 Dec. 1938

My dear Toss:

Thank you for sending me  
your article in El Mundo

I found it very interesting,  
and feel sure your reviews  
of earlier days in Puerto  
Rico affairs will be of

special value to students  
of history who may come  
after we are all gone.

Keep up your good work.

Faithfully,  
W. H. Hunt
