Dear sir:-

The two names mentioned by Mr. Lopez for Liberal Party members on the teachers Commission, were Professor Cuevas Aboy of Ponce, who is now in this City, and Ramon H. Rodriguez of Bayamon. The members mentioned by the Republican Party are Manuel Maria Arroyo, of Mayaguez, who is <sup>now</sup> ~~is~~ in this City, and Professor Eladio Vega of Ponce, who has telegraphed us that he leaves for San Juan to-morrow and that he will serve on such a Commission. If the General approves of these appointments, we can notify Mr. Aboy and Mr. Arroyo before they leave the City, and the Commission can meet without delay.

Very respectfully,

*Victor Clark*

Director of Public Instruction.
