Colonel Orval P. Townsend,
San Juan, Porto Rico.

My dear Colonel:-

Pursuant to our conversation of a few days ago and following your indication, I am writing at the bottom of this letter the name of those boys in whom I am interested and of whom I have been talking to you now and then.

Any favor which you may be able to confer upon them will be greatly appreciated.

I want to add also that if there is any special message you would like to convey to any or all of these boys, thru me, for their benefit or the benefit of the service, I am at your command.

Believe me to remain with sincere appreciation

Yours very truly,

ROY HEN

MAYOR OF SAN JUAN.
