

Washington, D.C.,
December 8, 1921.

Hon. Hubert Work,
First Asst. Postmaster General,
Washington, D.C.

My dear Dr. Work:

Replying to your letter of recent date, asking for a recommendation in the case of the post office of Jayuya, Porto Rico, which office was raised from the fourth class to the third class, I beg to recommend that the present incumbent in that office, Jose Tomas Nieves, be appointed to fill this position.

I understand, from what the post office inspector at Porto Rico has told me, that this man is a good postmaster, attentive to business, and therefore deserving to be taken care of in this raise.

Respectfully,

Republican National Committeeman
for Porto Rico.
