

REPUBLICAN NATIONAL COMMITTEE

JOHN T. ADAMS
CHAIRMAN
CLARENCE B. MILLER
SECRETARY
FRED W. UPHAM
TREASURER

MUNSEY BUILDING
WASHINGTON, D. C.

August 30, 1921.

Mr. Robert H. Todd,
San Juan, Porto Rico.

Dear R.H.:

Was very glad that Major Wells and you were confirmed before the recess.

All your friends here were ready to do whatever was necessary and were in constant touch with Mr. Nixon who was in charge. There really was no serious trouble.

I do not know when Mr. Wells will start, but will likely be able to learn in a few days.

Sincerely yours,

Strommelman

Think Major Wells will start from his home about Sept-20.
