

February 3, 1925.

Mr. J. N. Wagner,  
Immigrant Inspector,  
San Juan, P. R.

My dear friend:-

I am writing you this letter unsolicited by you and simply thinking that I am doing my duty towards a good official in the Federal Service.

You are the only official, outside the Janitor, of those who were in the Immigration Service when I took charge in September, 1921, who are still in the saddle, therefore, we have been together longer than any other of the Inspectors, and I want to say that I have always found you faithful to duty, competent in your work, and pleasant to the public at large, who had to deal with the Immigration office.

In leaving the Immigration Service, I do so leaving behind many friends, I know that, and among them I know that you are of the best, and I want you to know that in any Station where the future may place both of us, you can always count on me as your most faithful friend.

Sincerely yours,

Mayor.
