Hon. R. H. Todd,  
Member for Porto Rico  
Republican National Committee,  
San Juan, Porto Rico.

My dear Mr. Todd:

I am just in receipt of your letter of May 13th and am with a great deal of pleasure enclosing herewith a letter of introduction to Dr. Butte, the newly appointed Attorney General of Porto Rico.

Dr. Butte is one of the finest, cleanest and most competent men I know. He is able and conscientious and I am more than confident will so discharge the duties of his important office as to reflect credit upon us all.

I hope you will extend a helping hand to Dr. Butte in every way possible and I will appreciate any and all courtesies you may show him.

With all good wishes,

Cordially yours,

RBC/R
