CHAMBERS
United States District Court,
San Juan, P.R.

January 27th., 1931.

Dear Vice President Curtis:-

This will introduce to you again Mr. Robert H. Todd of Porto Rico. Mr. Todd has been and is now Mayor of the City of San Juan, Porto Rico, having been such Mayor for twenty some years. Mr. Todd was also a member of the Republican National Committee for some twenty years, and was also Commissioner of Immigration for Porto Rico, which position he resigned to run for Mayor again.

Mr. Todd is probably the most distinguished citizen of Porto Rico and is an American citizen not only in name but in his heart and soul. He has always been a friend of mine and I consider it an honor to be a friend of his.

He is not asking any favors but merely wants to pay his respects to you. Any courtesies extended him will be appreciated by me.

Sincerely,

(Signed) Ira K. Wells.

Honorable Charles Curtis,
Washington, D. C.
